1. Lot Number & sex (mixed lots)

2. Breed's logo

3. **GT** - animal is genomically tested

4. Animal Identification Number and Name

5. Polled Status

 - Celtic: PP(c)/Pp(c) - polled, HH(c) - horned
 - Phenotypic: P/PCH - polled, HH - horned, SC - scurs

6. Animal's photo, or Herd's logo

7. Herd's logo

8. Owner's information

9. Animal's information

 - Herd book section
 - Birth date
 - Animal's age
 - Animal's inbreeding percentage
 - DNA Number - if available

10. Additional information (only females)

 - Age at first calving
 - Number of calves born
 - Number of calves weighed at weaning
 - Average Wean Index
 - Intercalving Period

11. Parentage Verification - a green tick (✓) indicates that the sire and/or dam has been verified via microsatellite (DNA) and/or Genomic testing

12. Dam information

 - Age and Number of Calvings
 - Average Wean Index and Number of Calves Weaned
 - Age at First Calving and Intercalving Period
 - Cow award

13. Four (4) generation pedigree

14. VPLAN Membership

GENETIC VALUES - BUILDING BLOCKS

Calf and Mother				Fertility				Post-Wean Growth			Frame			Carcass		
Birth Dir.	Birth Mat.	Wean Dir.	Wean Mat.	Scr. Circ.	Heifer Fert.	Cow Fert.	Longev.	Post Wean	ADG	FCR	Mature Weight	Height	Length	EMA	Fat	Mar
83	121	130	89	112	84	101	112	125	126	129	113	104	115	149	82	119
87%	70%	83%	70%	81%	68%	59%	69%	72%	76%	80%	65%	81%	80%	77%	74%	73%
10	11	12	13	16	14	15	17	18	19	20	21	22	23	25	26	27

The Logix Selection Values are compiled of specific genetic building blocks, as indicated in the selection value descriptions on the next page. These genetic building blocks are indicated in the catalogue by their Breeding Value indices and accuracies.

PHENOTYPIC VALUES

Birth Weight	205D Weight	365D Weight	540D Weight	ADG Index	FCR Index	Scrotum	LH
47kg	239kg 109 (19)	284kg 99 (10)	390kg 92 (10)	1680g/d 90 (13)	6.08 98	353mm (D1)	1.20
10	12			19	20	16	24

- 205D, 365D, 540D weights - adjusted weaning, year and 18 month weights, the phenotypic index obtained, and the number of animals in the contemporary group
- ADG and FCR Indices - phenotypic index obtained within the animal's contemporary group
- Scrotum - adjusted scrotal circumference, in mm, as measured at the end of the growth test, as well as the growth test type
- Length-Height Ratio (LH) - the animal's length to height ratio, as measured at the end of the growth test

LOGIX SELECTION VALUES

COW VALUE 108	
103	Calving Ease Value
118	Calf Growth Value
86	Milk Value
80	Maintenance Value
110	Fertility Value
GROWTH VALUE 105	
CARCASS VALUE 110	
PRODUCTION VALUE 103	

1 L♀ GIX Cow Value

Selection for:

- Fertile cows,
- with low maintenance,
- that calf easily,
- and wean heavy calves

7 L♀ GIX Growth Value

Selection for efficient growers on veld & in the feedlot

8 L♀ GIX Carcass Value

Selection for higher meat yield on carcass

9 L♀ GIX Production Value

Selection for easy-care, Profitable cattle

- 80% Cow Value
- 20% Growth Value

EXPLANATION OF BREEDING VALUES AND SELECTION VALUES

Traits		Description/Measurement	Goal	General Guidelines				
				<-80	-80	90-110	>110	>120
Selection Values	1 Cow Value	Combination of Calving Ease, Calf Growth, Milk, Maintenance and Fertility Values (Rand-Value)	Profitable Cow	Loss				Profit
	2 Calving Ease Value	Risk for calving problems (calf too heavy) vs calf too small	Avg. birth weight	High				Low
	3 Calf Growth Value	Calf's genetic ability for pre-weaning growth	Heavy weaner calf	Light				Heavy
	4 Milk Value	Cow's genetic mothering and milking ability	Enough milk for the calf	Less				More
	5 Maintenance Value	Maintenance requirements of cow (cow weight and milk)	Low cow maintenance	High			*	Low
	6 Fertility Value	Fertility and retention of cows and heifers	Fertile cows	Low				High
	7 Growth Value	Efficient growth on veld and in feedlot (R-value)	Profitable growth	Loss				Profit
	8 Carcass Value	Meat on carcass (Weight and RTU EBVs)	More meat on the carcass	Less				More
	9 Production Value	Combination of Cow- and Growth values (R-value)	Profitable animals	Loss				Profit
Cow & Heifer	10 Birth Weight Direct	Birth weight (Calf's genetic ability)	Avg. birth weight	Heavy				Light
	11 Birth Weight Maternal	Birth weight (Cow's genetic ability)	Easy calving	Heavy				Light
	12 Weaning Weight Direct	Weaning weight (Calf's genetic ability)	Heavy weaner calves	Light				Heavy
	13 Weaning Weight Maternal	Weaning weight (Cow's genetic ability)	Good mothers	Poor				Good
	21 Mature Cow Weight	Cow weight at weaning of first three calves	Avg. mature cow weight	Light			*	Heavy
Fertility	Cow-Calf Birth	EBV Birth Direct / EBV Mature Cow weight	Average	Low				High
	Cow-Calf Wean	EBV Wean Direct / EBV Mature Cow weight	High calf-cow ratio	Low				High
	14 Heifer Fertility	Age at first calving	Fertile heifers	Less				More
	15 Cow Fertility	First 3 inter-calving periods (ICPs)	Fertile cows	Less				More
Growth & Frame	16 Scrotal Circumference	As measured during the growth test	Fertile bulls	Less				More
	17 Longevity	Retention of progeny	Acceptable progeny	Poor				Good
	18 Post-Wean Weight	12- and 18 month weights	Good post-wean growth	Low			*	High
	19 Average Daily Gain	Average daily gain	Good growth	Poor				Good
	20 Feed Conversion Ratio	100g feed intake / g weight gain	Feed efficiency	Poor				Good
	22 Final Test Weight	Final weight in the growth test	Heavy carcass	Light			*	Heavy
	23 Height	Shoulder / Hip height in growth test	Average height	Short				Tall
Carcass	24 Length	Length in growth test	Longer for more muscle	Short				Long
	Length-Height Ratio	EBV Length / EBV Height	Longer rather than tall	<1				>1
	25 Eye Muscle Area	RTU measured eye muscle area	Bigger steaks	Small				Big
	26 Fat Thickness	RTU measured P8 backfat thickness	Carcass quality	Thin				Thick
	27 Marbling	RTU measured % of intra-muscular fat	Juicy meat	Low				High

* Determined by own selection goal

INTERPRETATION OF BREEDING VALUE INDICES

Conditions of Sale

All sales by Simon Hughes Marketing, t/a SHM Auctioneers, where livestock and/or goods (hereinafter referred to as goods) are offered for sale or are sold, take place subject to these terms and conditions of sale which shall be binding on all buyers.

1. The auctioneer reserves the right to amend or supplement these terms and conditions by way of verbal notice and the amended or supplemented terms and conditions will then be applicable to this agreement or the relevant part thereof.
2. All sales shall strictly be by way of cash or bank guaranteed cheque.
3. Should a purchaser wish to make payment by any other method other than by way of cash or bank guaranteed cheque, the necessary arrangements must be made with the auctioneer prior to the sale and the auctioneer may in his sole discretion, refuse any such requests. The purchaser shall be liable to pay interest on all delayed and/or late payments at the then prevailing prime rate plus 4% p.a. from the date of sale to date of payment of the full outstanding amount.
4. Should the auctioneer accept any other method of payment other than by way of cash or bank guaranteed cheque, ownership of the goods shall not pass to the purchaser until the purchase price has been paid in full, notwithstanding the fact that the auctioneer may allow the purchaser to take delivery of the goods and to remove same.
5. No good may be removed unless payment therefore has been made in full by way of cash or bank guaranteed cheque, and where the purchaser has arranged for payment in terms of clause 3 above, before such purchaser has signed all the necessary documents which the auctioneer might require such purchaser to sign.
6. Should the purchaser have removed the goods without having paid the full purchase price and such goods are removed in terms of an agreement reached between the auctioneer and the purchaser in terms of clause 3 above, and the purchaser fails and/or refuses to make any payment on due date as agreed with the auctioneer, the auctioneer and/or the seller shall be entitled to immediately take possession of the goods.
7. Should the purchaser oppose any attachment and/or repossession of the goods by the auctioneer and/or should it be necessary for the auctioneer and/or the seller to institute legal action for such attachment and/or repossession and/or for payment of any outstanding amounts in terms hereof, the purchaser shall be liable for payment of all legal costs on a scale as between attorney and own client. The purchaser hereby consents in terms of section 45 of the Magistrate's Court Act to jurisdiction of the Magistrate's Court for the purpose of any legal proceedings arising from this agreement.
8. Should the auctioneer and the purchaser reach an agreement with regards to payment as set out hereinbefore, and the auctioneer allows the purchaser to remove the goods, the purchaser hereby undertakes not to sell/dispose of/alienate or in any manner encumber the goods.
9. Notwithstanding the fact that ownership in the good is reserved until payment of the full outstanding purchase price, all risk of whatsoever nature in and to the goods, shall pass to the purchaser on acceptance of the purchaser's offer by the auctioneer, and the purchaser shall, if the auctioneer should so demand, deliver proof, on such date as the auctioneer might require, that such goods have been insured for an amount equal to the outstanding amount due by the purchaser to the auctioneer.
10. From the moment of acceptance of the purchaser's offer by the auctioneer, all risk of whatsoever nature in and to the goods, shall pass to the purchaser.
11. The purchaser acknowledges that the goods are sold voetstoots and that the auctioneer shall not be bound by any guarantee or representation of whatsoever nature which he may make before the sale.
12. The purchaser acknowledges that he has received the goods described on the reverse side hereof, that these are the goods he did indeed buy, that he is satisfied on all accounts with the conditions and/or quality thereof and that they are suitable for the purpose for which he bought them.
13. The auctioneer shall not be responsible for any damage caused by or to the goods while under his supervision or the supervision of the employees, irrespective of whether such damage was caused by negligence on the part of the auctioneer and/or his employees or whomsoever. For the purpose hereof, damage also means and/or includes infection and/or any ailment of whatsoever nature to any livestock which may have arisen on or before the sale.
14. No bona fide mistake made by the auctioneer shall be binding on the auctioneer or the purchaser.
15. The auctioneer does not guarantee towards the purchaser that the purchaser will obtain the right of ownership in the goods or that he will obtain and/or retain free and undisturbed possession thereof.
16. The purchaser shall furnish his full physical and postal address to the auctioneer and should he be buying on behalf of any other person, firm, partnership, trust or judicial body, also the full addresses of such principal.
17. If the purchaser is buying the goods on behalf of any other person, firm, partnership, trust or judicial body, he shall disclose such fact to the auctioneer, sign the purchaser's invoice on behalf of his principal in such a way that both his name and that of his principal are reflected clearly on the invoice and he shall provide on request, satisfactory proof of his authorisation to buy as a representative and/or agent. Upon failure to comply with these provisions, such purchaser shall be liable to the auctioneer as joint principal debtor in solidum for all the obligations arising from this agreement.
18. It is neither the duty nor the responsibility of the auctioneer to supply any documents such as registration certificates, permits, service certificates, transfer documents, health certificates or any other documents relating to the goods to the purchaser, or to see or to arrange for the supply thereof.
19. It is recorded that the purchase price does not include VAT.
20. If the purchaser should request the auctioneer to arrange for the safe keeping of the goods and/or transportation thereof, he shall be obliged to pay the costs involved together with any interest to the auctioneer on request. If such arrangements are made with a third party, the auctioneer undertakes this as the agent of the purchaser and the purchaser shall be responsible to such third party for the relevant costs. The purchaser indemnifies the auctioneer against any claim which the third party may have against the auctioneer. The arrangements, safe keeping and transport are the sole risk of the purchaser and the auctioneer shall not be liable for any damages to the goods or the destruction and/or deterioration and/or depreciation of the goods for any reason whatsoever.
21. The purchaser hereby agrees that the auctioneer may act either as an agent for the seller/third party or as owner of the goods. The purchaser specifically agrees that the auctioneer will have the right to institute legal action for any relief in terms of this agreement, including but not limited to, the right to institute legal action for any relief in terms of this agreement, including but not limited to, the right to institute and proceed with legal action for the attachment and/or repossession of the goods.

**The auction is a studio auction. You can physically attend it or place your bidding online via Meerkat Online Auctions.*

**The auction is presented under the protection of the Nguni Cattle Breeders' Society of Southern Africa.*

VERKOPER OPMERKINGS: Ice speaks for himself. Extremely muscular, very broad, long and fat. Very docile, loves a back scratch. He is your typical cattleman's choice. Ticks all the boxes on all accounts.
